CNBconnect Online Banking

For Your Personal or Business Finances, Our Newest Bank is at Your Fingertips.

Community National Bank's virtual office is designed to bring banking convenience to the privacy of your home and/or office. Now you can bank online any time of the day or night, any day of the year. With just one click, you'll have a full range of transaction-based internet products at your command.

For Your Personal Banking... CNBconnect

In your home for your personal – or your family's – money management, CNBconnect is perfect, bringing you convenience and freedom. Any time of the day or night, you'll have access to your accounts at Community National Bank; with our powerful online tool, you'll be able to efficiently handle all your banking needs:

- View account balances and histories
- Pay bills
- Transfer funds
- Produce customized reports
- Download transactions into personal financial management software such as Microsoft Money™ and Quicken™

For Your Business Banking... CNBconnect

With CNBconnect in your office, you'll be able to securely access all your business account information to keep you up to the minute on your company's finances. Plus, its powerful functionality will enable you to:

- Disburse funds
- Draft customers
- Anticipate account debits
- Initiate stop payments
- Initiate wire transfers
- Direct Deposit service for payrolls
- Manage your company's cash position
- Generate electronic tax payment requests
- Get multiple levels of security for users
- Have the convenience of small business financial management software (e.g., Microsoft Money™, Quicken™, Quick Books™)

To protect company privacy, you can restrict access to specified functions, reports and accounts; you can also create special profiles to share information with those you provide with privileged access.
